“We had a lovely round on a lovely golf course followed by an excellent Sunday lunch. You have an outstanding club and that is evidenced by the friendliness of the members amongst themselves and to us as visitors. It was an excellent day and we look forward to an early return”.

“Just wanted to say thank you to everyone at Fairhaven on behalf of our society. We all enjoyed the day on a lovely course and the food before and after was excellent - and it stayed dry when it was raining heavily in Manchester”.

“Just wanted to drop you a line to thank you and your team for making our trip to Fairhaven such a good one.
The course and facilities were excellent / catering and bar service / food etc was great
Some how I managed to sneak a win overall - a testament to your greens that such a poor putter could putt so well!!!”

“I simply thought I must contact you and point out what a fantastic day out it was ! Surely one of the most enjoyable I have had since taking up Golf some 12 years ago. The course is excellent in every respect. I found it to be a superb layout with some very challenging holes, some less so, very true and honest greens, and of course punishing bunkers !
That aside, the warm welcome we got from your impeccably attired members was equally appreciated. What a superb clubhouse with such a fantastic atmosphere”.

“We played in your 4-Ball Summer Series...I am writing to tell you how much we enjoyed it and what a fantastic course you have!
We’ve been meaning to play there for ages and the Summer series was the ideal opportunity and your course certainly didn’t disappoint.
The 2 members that we played with were also great company and were very patient as we visited almost every bunker on the course!”
